

California Line Dance Association of America (CLDAA)

Mission Statements:

Through the art of line dancing, CLDAA is promoting exercise, health and enjoyment for people of all ages.

The California Line Dance Association of America (CLDAA) was founded in 2004 by Kico Lin and recognized by IRS as a 501(c)(3) nonprofit organization. CLDAA was established for the purpose of promoting healthy and happy lifestyles to the general public of all ages. CLDAA founding members have been dancing to promote a healthy lifestyle for many years. In fact, Kico Lin and other founding members were involved in attaining a world record in the Guinness Book of World Records in 2003 for the greatest number of line dancers in one venue. CLDAA is also recognized by the county of Santa Clara, State of California and City of San Jose for promoting exercise, health and enjoyment for people of all ages.

CLDAA has created a fun and easy way to learn steps which combine western cowboy dance, salsa, cha-cha, hip-hop steps and even Kung-Fu techniques to encourage the general public to become more confident in dancing, and therefore develop healthier and happier lifestyles. We serve the community including senior centers and public libraries with passion through action. Presently, we have established over 20 line dance classes throughout the San Francisco Bay Area. We highly welcome all of you to dance for health, dance for happiness and dance for a colorful life with us.
